How We Work

1. **Provide us with your information and content (text and images).**
You can send your business brochure or company profile. If you prefer, we can provide a quote to create this for you.
2. **Share your logo.** If you don't have one, we can create one from just USD 90.
3. **Provide access to your domain name.** If you don't have a domain name, we can set this up for you.
4. We start **implementing and converting the content** on all the related pages using the best techniques and content management systems.
5. Once built, we fully test your website before **making it live**.
6. We **provide access** to your website dashboard.
7. We **offer support** after the completion of the project. It never ends, website needs updating and proper maintenance which we provide in our after sales services.
